

Have you faced **Caste** discrimination or have been harassed on grounds of **Caste** which has left you shell shocked and traumatised?

You now have an opportunity to tell your story with a promise that you will be heard.

If you have been discriminated on grounds of Caste in any of the following areas:

- Employment (applying for a job; treatment in the job; dismissal; bullying, pay; etc.)
- Education (student to staff; student to student; staff to staff; staff to student)
- Health service (by doctor; nurse; other)
- Housing (by officer, administrator, other)
- Religious e.g. access to temple; participation in congregation
- Goods e.g. treatment in shops

Information obtained will be analysed by the National Institute of Social and Economic Research, a government mandated body, to affect legislative change in the area of Caste Discrimination in Britain.
